KIND DONORS MADE THIS POSSIBLE

Everyone needs a place to relax and de-stress. With the pandemic and school starting, the Miriam Home residents spend time on their new swings to get away from it all! Thank you to Lenex & Wabash Steel who donated the supplies for the frame, Buck Mullis who handcrafted the swings, to Graber Granite who donated the supplies for the fire pit and all our kind donors who provided the funding for the swings. Also, thank you to Providence Mennonite Church from Montgomery who built and installed the frame for the swings. It took a village to make it happen but the results are amazing!
