THE HEBRON HOME BOYS GO TO CAMP!

Open Arms' mission statement states: To exalt the Lord by serving and sharing Christ through meeting the needs of others. So, when the HEbron Home boys were invited to attend camp at Hilltop Christian Church Camp near Columbus, it was hard to say "no." Smithville Christian Church graciously offered to pay our boys' registration so that they could not only experience church camp but Christ. This was a first-time experience for our boys and their excitement was over the top! Here are some comments from the boys regarding their experience.....

"It was my first time to go to a church camp." "I liked all the activities they did at camp and the worship time." "There was so much fun stuff, I can't pick just one fun thing. It was just all awesome"
