## THANK YOU FOR MAKING AN ETERNAL DIFFERENCE!

Often, when people give, they don't realize the eternal difference it makes in a child's life. For example, on Monday nights, the Miriam Home residents are given the option of attending a Bible study (see photo). The girls recently started a bible study called "Worth It." This study works through issues such as confidence, worth, appearance, purity, modesty, and love to help them understand their true worth in Christ.

The HEbron Home's Bible study is held on Monday night. Last week the boys ate pizza and discussed Genesis, comparing it to their own personal struggles. The Scriptures state that when God's word goes out, it will not return to Him empty (Isaiah 55:11). Thank you for providing a place where His Word can go out into these youth's lives.

### PRAYER REQUESTS AND PRAISES

Prayer requests: Hiring new God-driven staff that are ministry minded; the overall health of staff, the Gainey family. a former long longtime foster family who lost their dad to leukemia, and new foster families as we place children in their home. Praise: The residents are adjusting well to school starting up and we have several upcoming adoptions.
