

WE LOVE GROUPS!

Pictured are a couple of ladies from the Greene County Sun Shine Club who came to bless our Miriam Home girls with Valentine's Day treats! There are so many ways to minister to our kiddos. Here are just a few suggestions: work projects ranging from painting, building and drywall; teach a Bible study series; organize a spa day or give music lessons at the Miriam Home; play kickball, volleyball, basketball at the boys' or girls' home; plant flowers or mulch at both campuses, Nerf gun war at the HEbron Home; roast marshmallows and have a sing-along; or hold an arts and crafts day. Childcare is also needed for our foster children while their foster parents have training on April 23rd from 9 am to 3 pm.

If you are part of a group and want to sign up, please email sheila@openarmschristian.com. Groups of any size are welcome.

PRAYERS/PRAISES

Please pray for:

The boys and girls in each home who are transitioning out of the homes. Pray they make healthy friend relationships; New foster families and a case manager in the Bloomington area; a foster family who is having 3 children move out of their home to a relative placement. They are struggling with the loss and the health, safety and spiritual well-being for all our staff.

PRAISE – the unspeakable joy of God's provisions for HIS ministry.
