

JUNE 2021

THANK YOU FOR MAKING THIS POSSIBLE FOR OUR COMMUNITY!

Open Arms is excited to announce that as of July 1, Turning Point Education Center is consolidating with Wagler Education & Training Center. Open Arms has operated Turning Point Education Center for more than 18 years. In 2019, Turning Point moved into the former Open Arms administration building on our Switz City, IN campus to make room for growth. With 172 students this current school year, Turning Point has now outgrown the Switz City location.

Wagler Education and Training Center, a 501c3 nonprofit organization, recently constructed a training center building, which offers ample classroom, training, and office space to meet the growing community needs.

Wagler Education and Training Center is located as part of Wagler Raceway Park, in Lyons, Indiana. Jeremy and Jessica Wagler, the owners of Wagler Motor Sports Products, near Loo-gootee and owners of Wagler Raceway Park, have partnered with Turning Point since 2018 in offering welding, CDL and CNC certifications. Thank you for being a part of what God is doing to reach more youth and adults in Indiana. For more information on WETC or how to donate toward education go to www.waglereducation.com.
